

CERTIFICATE

# Certificate Ecommerce Europe Trustmark

Ecommerce Europe declares that online  
merchants connected to

Online shopping & e-services

are allowed to use the Ecommerce Europe  
Trustmark

This Trustmark certifies that BeCommerce's label is part of the [Ecommerce Europe Trustmark](#) scheme handled by Ecommerce Europe. It certifies that BeCommerce's label meets European legal requirements, as well as Ecommerce Europe's best practices on consumer protection, as detailed in the Ecommerce Europe Trustmark [Code of Conduct](#). It also guarantees the right of any European consumer to refer to Ecommerce Europe in case of a dispute relating to a cross-border purchase on a website using the BeCommerce/Ecommerce Europe label. For further information please click here [click here](#).
